Glass clean & plexiglas

Properties

Ultra performing professional cleaning spray, **20 Glass Clean & plexiglas** is specially designed to clean and protect glass and Plexiglas of boats. Its composition, reinforced with protective agents helps to preserve the treated surfaces from external aggressions and bad weather.

Functional, **20 Glass Clean & plexiglas** offers a prehension ability and simple use. Its ergonomic spray head system allows applying the solution **20 Glass Clean & plexiglas** on surfaces without flowing.

The formula **20 Glass Clean & plexiglas** is also effective for the rapid treatment of materials such as wood, plastic, Plexiglas, stainless steel, furniture, aluminum.

Instructions for use

Spray **20 Glass Clean & plexiglas** on the surfaces to clean or directly onto a dry cloth. Rub while repeating a movement from top to down, then wipe off. For a result without traces, **Nautic Clean®** recommends the microfibre cloths **A1 or A2** of the range **FLOWEY® « Accessories »**.
