

EH-TW5400

DATASHEET

Enjoy the big-screen experience for years to come with this easy to set up, Full HD, home cinema projector.

Bring family and friends together to watch films in true cinematic style with this affordable Full HD 3D and 2D home cinema projector with 2,500 lumens and 30,000:1 dynamic contrast ratio. Movies come to life with bright and vivid images thanks to 3LCD technology, which is up to three times brighter than 1-chip DLP projectors¹. It's easy to set up too with keystone correction and 1.2x manual zoom.

Make every moment count

Whether you're catching your favourite sports, watching a classic movie or playing a game, with Epson's Full HD home cinema projector you can create the big screen experience with images reaching up to 300 inches (762cm). It can handle the most atmospheric scenes with clearly defined shadow detail and deep blacks, while also remaining clear, sharp and smooth during the fastest, high-action scenes with Detail Enhancement and frame interpolation.

Simple set up

Here's the solution for a stress-free set up: the slim and lightweight EH-TW5400 is easy to move, plus the 1.2x zoom and keystone correction ensure it's fuss free to position the picture. Accessing your entertainment is easy too with two HDMI inputs (including one MHL) for connecting DVD players, games consoles and more.

11 years of entertainment²

Looking for a long-term, hassle-free and affordable solution for your entertainment needs? With the EH-TW5400, you could watch a film every day for 11 years thanks to the long-lasting lamp light source².

11 years of entertainment²

Experience vivid and lifelike images

There's a reason why Epson's 3LCD technology has become so renowned; it radiates exceptionally bright yet colourful images by producing an equally high White and Colour Light Output. Even in bright living rooms, this powerful yet affordable Full HD 1080p projector delivers 2,500 lumens and a 30,000:1 contrast ratio.
